

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I think that this rule changing is going to be minimally effective. People who are going to break the rules will STILL break the rules no matter what anyone says so why bother?

Haven't we given up enough rights and liberties to the establishments FAKE war on terrorism AND weapons of MASS DESTRUCTION?

Sincerely,

George Goffe
